### Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Huuuge, Inc. Group (hereinafter called "the Group"), having Huuuge, Inc. as its parent company (hereinafter called "the Parent Company"), with its registered office in the United States, Dover, Delaware, 850 Burton Road, Suite 201, DE 19904, comprising the interim condensed consolidated statement of financial position as at 30 June 2022 and the interim condensed consolidated statement of comprehensive income, the interim condensed consolidated statement of changes in equity, the interim condensed consolidated statement of cash flows for the period from 1 January to 30 June 2022 and the notes to the interim condensed consolidated financial statements.

President of the Parent Company is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

### Scope of review

We conducted our review in accordance with International Standard on Review Engagements 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity as adopted by the National Council of Certified Auditors as the National Standard on Review Engagements 2410. A review of interim condensed consolidated financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures.

A review is substantially less in scope than an audit conducted in accordance with National Standards on Auditing. Consequently, it does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## **Conclusion**

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements have not been prepared, in all material respects, in accordance with the International Accounting Standard 34 Interim Financial Reporting as adopted by the European Union.
